We require the child's enrollment form and a registration fee of \$50.00, to hold your child's spot in the program. The fee is nonrefundable, we also require the child's medical forms to be in by the start of the school year. Medical forms may also be turned in throughout the first thirty days of the school year, if the child's physical is scheduled later than the original cut off date. Please inform the schools administrator or director if this is the case.

Registration is complete once we receive the enrollment form, registration fee, and medical forms. Physical forms are sent out between June – August, prior to the school year beginning.

The child's medical form and appointment for a physical need to be renewed yearly. This policy is made to enforce the state of Ohio's requirement, which is every thirteen months.
